Re: Order responding to the petition on the Georgia-Pacific Consumer Products Title V permit

Dear Mr. Bender:

Enclosed is a copy of the U.S. Environmental Protection Agency's Order responding to the petition submitted by your office. The petition, submitted on behalf of the Sierra Club, the Clean Water Action Council and the Midwest Environmental Defense Center, requested that the Administrator object to the Clean Air Act (Act) Title V renewal permit issued by the Wisconsin Department of Natural Resources to Georgia-Pacific Consumer Products. The Order, which the Administrator issued on July 23, 2012, denies the petition.

Section 505(b)(2) of the Act, 42 U.S.C. § 7661d(b)(2), provides that any denial of a petition is subject to judicial review under Section 307 of the Act. Pursuant to Section 307(b)(1) of the Act, 42 U.S.C. § 7607(b)(1), you may, within 60 days of publication of notice of the Administrator's decision in the Federal Register, seek judicial review of EPA's denials in the United States Court of Appeals for the Seventh Circuit.

If you have any questions or would like to discuss this matter further, please feel free to contact me or have your staff call Genevieve Damico, Chief, Air Permits Section, at (312) 353-4761.

Sincerely,

George T. Czerniak
Acting Director
Air and Radiation Division
